Description

Steel bollards add obvious security to your landscape. As steel is exceptionally strong and will not fracture on impact, it is ideal for ram raid deterrence, protected parking and pedestrian walkways. Ideal perimeter barrier on their own or as a match for Rhino telescopic posts.

Specification

- Galvanised 3mm Steel as standard - BSEN ISO 1461
- All Steel Bollards are galvanised as standard but can also be powder coated to any RAL colour
- Variety of Standard Diametres, choose from the options above
- 1200mm overall height as standard. Other lengths can be provided on request, other popular heights are 1000mm & 1500mm
- Looking for this in stainless steel, then please click [here](#)

Bespoke Requirements

- Our bollards can be made to your exact requirements, specific heights, colours, finish and diametres. Call us today to discuss your bespoke needs.

Delivery

- 3-5 working days
- Free Delivery included
