Description

The Trio Combo Recycling & Litter bins provides a 3-in-1 solution, to seperate waste, paper and plastics perfect for towns, cities and rural areas. The bins can be tailored any way you want from the standard options available below to a bespoke solution to meet your exact needs.

Standard Specification

- 1020mm H x 1230mm W x 525mm D
- 3x 120L capacity
- 2mm Zintec Steek
- Anti Corrossion Primer & Anti Graffiti Finish
- 2 x end door openings plus centre door opens to rear. Slam lock door mechanism
- Marine Grade 316 SS hinges
- Slight Apex roof for rainwater run off
- Any RAL colour available

Options

- Colours: The trio combo bins can be coloured to meet your needs. For example the waste side of bins can be in black and the recycling half in green and blue etc. Contact us for your specific requirements.
- Decal: Stickers or laser cutting can be added to emphasis the bins features or your branding. See product image of a previous example. Only £5 per sticker and £15 per laser cut letter. Please contact us details and a quote

Delivery

Delivery Time: Approx 2 weeks (depending of stock levels)
