## Description

---

**If you require large quantities of rock salt please contact us for up-to-date prices and availability. We could help you source as much as 2000 tonnes (80,000x 25kg bags or 2000x Loose Bulk Bags) of rock salt before the new year. Large quantities can receive significant discounts. Stock up now before prices increase again in January as reserves continue to run lower and lower.**

National reserves of rock salt were depleted last winter due to the high demand, this means that rock salt supplies are still very low as the three UK salt mines attempt to replenish the reserves. We have stock of rock salt now but advise buying early.

**Delivery:**

**Bulk Bags now available (850kg & 1000kg) for fast track delivery (3-7 working days). Please call now on 0800 612 7503 for a quote.**
