Description

The “Eternity Traffic Cone” is a indestructible (well almost) traffic cone made from a new PVC design which ensures durability and flexibility in all weather conditions. These cones can return to vertical after being run over at speed by a lorry with no sign of damage. This cone will last year after year without losing quality

This new traffic cone is a must have and we can send you a sample so you can see firsthand how durable this cone is.

Features

- Fluorescent colour and R2 reflective banding provides maximum visibility
- Base is made from 100% recyclable materials
- Comply with EN13422 standards
- Pre-applied 3M 3840 Hi-intensity Cone Sheeting for durability and superior safety.
- Cones can be branded, priced on request

Delivery

- 3-5 working days for orders up to 600 traffic cones.
 - Larger orders quoted on request.
- Qty is based on per 100 traffic cones
