Description

This medium weight range bench is suitable for a number of locations from gardens, parks and hotels. Four size options available to order, built by our highly skilled craftsmen using traditional joinery techniques. Frames are made from durable strengthened Iroko hardwood. The timber remains in its natural form with principal end grain waxed.

Dimensions:

1830mm Length

610mm Depth

920mm Height

Extra:

Fixing packs available upon request
