## Product Images

## Description

This solid construction using vertical corner posts and horizontal slats, with a fixed steel base frame standing on adjustable steel feet at each corner can easily be moved around. Ideal for parks, city and town streets or business complexes. Produced from highly durable Iroko hardwood, able to withstand our weather all year round, making it highly weather resistant.

Size options

Available in three different styles and sizes:

- 1000 x 1000 x 850mm
- 1000 x 1000 x 660mm
- 1000 x 1000 x 470mm

Bespoke Option:

Available with machine carved inscriptions or plaques in lacquered brass or stainless steel.
