Description

Reinforced steel sheet bin with solid structure and a triangular anchorage base. The bin features a lockable door for waste removal and a roof which serves to prevent the disposal of larger items not appropriate for public bins. The bin is available with an optional inner compartment which can be easily removed thus making emptying the bin that bit simpler.

Specification

- Dimensions: 1000mm Height x 400mm Width
- Material: Sheet steel
- Finishing: Rust protection
- Colour: Grey colour painted
