Description

Thaw Removable Steel bollards add obvious security to your landscape. As steel is exceptionally strong and will not fracture on impact, it is ideal for ram raid deterrence, protected parking and pedestrian walkways. Manufactured to a high standard, all Rhino steel bollards are galvanised to BSEN ISO 1461 (1999).

Specification

- Galvanised Steel as standard - BSEN ISO 1461
- All Steel Bollards are galvanised as standard but can also be powder coated to any RAL colour
- Standard Rhino Diameter of 168mm. Other Shelter Store sizes available: 76mm, 89mm, 101mm, 114mm or 139mm
- Single or two rings available as standard
- Removable Bollard
- 1500mm overall height as standard. Other lengths can be provided on request, other popular heights are 1000mm & 1200mm

Bespoke Requirements

- Our bollards can be made to your exact requirements, specific heights, colours, finish and diametres. Call us today to discuss your bespoke needs.

Delivery

- 10 - 15 working days (may be sooner if in stock)
- Free Delivery included
