Description

Our popular high-quality Premium Trolley Shelter offers a premium-quality shopping trolley parking solution at a great price. The shape and design are commonly found in supermarkets across the UK, offering vast trolley parking spaces. The shopping cart shelter is made of strong polycarbonate sheets and galvanised steel frame, which can be powder-coated in a colour that suits your environment best.

As part of our excellent service, we can offer a free site survey with our experienced engineers whereby we can give advice to ensure all health and safety and DDA access regulations are adhered to.

Options:

The shopping trolley shelter comes with several options for finish - galvanised, powder-coated colour in a RAL colour of your choice, or both galvanised and powder-coated. It can be selected with or without a bumper rail and a trolley sign.
